THE SCHOOL

Celbridge Montessori is a sessional Early Years Education School based in the Slip Hall at Castletown Gates. Offering ECCE approved places, our school works under the Higher Capitation scheme, with full degree qualified teachers and higher level assistants. With a focus on learning and development through the principles of Montessori, combined with a strong interest in Music, Art and the exploration of our natural surroundings, we offer the highest of Early Years quality.

With a spacious classroom, and a newly built sensorial garden, our school offers space, tranquility and is a wonderful environment to challenge and educate curious minds both indoors and out.

With over 25 years experience as teachers and school operators, the owners of the new school bring a wealth of early Years and Montessori experience to the school. Initially working in the USA following qualification as a secondary school teacher, Christina worked in Montessori in the US, returning to Ireland to complete further post – graduate qualifications in Montessori before setting up our existing school in Drumcondra in 1992.

Since then, her continued work in the sector within professional development, representative bodies, and on government forums, has seen Christina become an influential figure within the Early Years sector. Her existing school enjoys a strong reputation for high quality, and is a key training centre for Early Years Degree students in Dublin.
